

AI Leadership Coach

Your 24/7 Leadership Thinking Partner

Not a chatbot. Not a coaching replacement.

Made with GAMMA

POSITIONING

Your 24/7 Leadership Thinking Partner

Always Available

Support across every moment of the day.

Powered by Coaching

Built on proven ways leaders think and grow.

Real-Time Support

Clear guidance when decisions need to move fast.

Made with GAMMA

WHAT IT DOES

Four Pillars of Intelligent Leadership Support

Powerful Questioning

Asks powerful, thought-provoking questions (Erickson methodology)

Helps Users

Make better decisions, Navigate team conflicts, Improve leadership thinking

Tracks

User goals, Behavioral patterns, Growth journey over time

Provides

Daily reflection prompts, Situation-based guidance, Continuous thinking support

Made with GAMMA

WHY THIS WILL WIN

The Market Gap Is Real

People don't want AI advice → they want clarity

Coaching is powerful but not always accessible in the moment

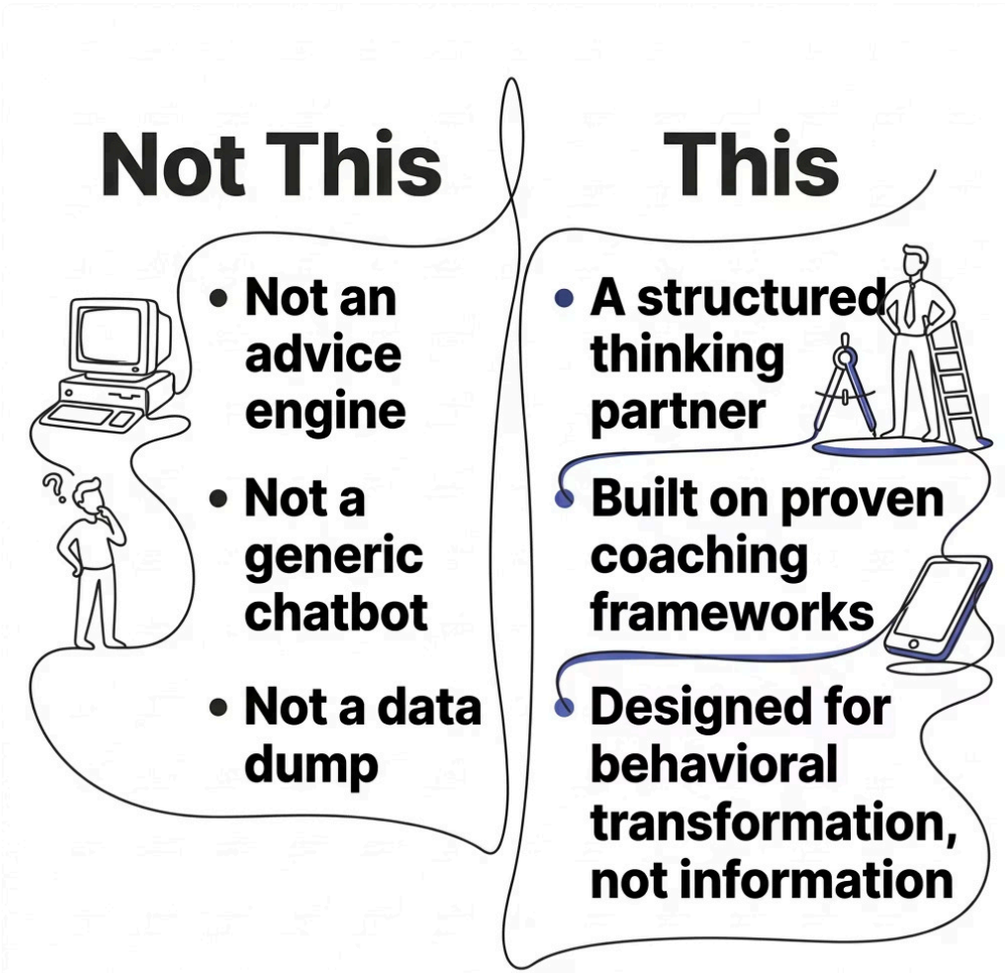

Leaders need real-time thinking support, not delayed sessions

Perfect extension of Erickson's solution-focused coaching model

Made with GAMMA

CORE DIFFERENTIATION

What It Is — and What It Isn't

A clear distinction between what the AI Leadership Coach is designed to be — and what it deliberately avoids becoming.

Made with GAMMA

TARGET AUDIENCE

Built for Leaders at Every Stage

Working Professionals & Aspiring Leaders

Mid to Senior-Level Managers

Entrepreneurs & Founders

Erickson Students & Alumni

BUSINESS IMPACT

Strategic Value Across the Organization

- Creates a new recurring revenue stream
- Increases course conversions (bundle strategy)
- Strengthens alumni engagement
- Positions brand as AI + Coaching leader

Made with GAMMA

STRATEGIC ADVANTAGE

Built on a Foundation Others Cannot Replicate

- Leverages Erickson's existing IP (frameworks, methodology)
- Scales coaching impact without increasing faculty dependency
- Builds a digital ecosystem around leadership growth
